About Gray

Gray Muzzy has represented and counseled oil and gas exploration and production companies, pipeline companies, developers, purchasers and sellers for over 30 years in both upstream and midstream transactions, including mergers and acquisitions, exploration, production and development agreements, transportation and processing agreements.

Gray served for four years as senior vice president and general counsel at a *Fortune 500* company with more than \$3.5 billion in revenue and 30,000 employees across the country. As a former general counsel, he has a firsthand appreciation of the challenges facing in-house counsel and the need for practical, solution-based advice.
