The Lobby Shop: And Now Their Watch Has Ended: Reflections from PRG's Summer Interns

August 10, 2017

By: [Joshua C. Zive](#)

Josh Zive interviews PRG's summer interns on their penultimate day in DC about their experiences, the unique opportunities this city offers, and words of wisdom for anyone considering a DC-area internship. (Also, for the second week in a row, we must warn you that the end of this episode contains slight Game of Thrones spoilers. We're huge fans.)
