October 20, 2017

By: [Joshua C. Zive](#), [Paul Nathanson](#), [George D. Felcyn](#), and [Frank V. Maisano](#)

Josh sits down with Paul Nathanson, George Felcyn, and Frank Maisano to discuss the U.S. International Trade Commission's controversial Section 201 solar imports case. From the history of Section 201 petitions to the motives of this case's plaintiffs to the sheer impact of the proposed tariffs, our team breaks down this complex subject.
