About Timothy

Tim focuses his practice on energy, infrastructure, and regulatory matters. He helps advise clients on transactions across the electric power, oil and gas, and infrastructure industries with a focus on the purchase and sale and development of conventional and renewable energy projects. His clients include developers, independent power producers, investor-owned utilities and private equity funds.

Prior to joining Bracewell, Tim completed a legal fellowship at the American Wind Energy Association (AWEA) and worked in the office of U.S. Representative Richard E. Neal.
