

# 36th Annual Texas Health Law Conference

Event

September 26, 2023 | 1 minute read

---

Wilson Jones will participate in a panel discussion titled “Enforcement Update for the Healthcare Industry” at the Texas Health Law Conference. Speakers will discuss how federal and state enforcement agencies continue to investigate and litigate healthcare fraud cases, payment recoveries, and other enforcement matters across all sectors of the industry. An overview of the latest trends in enforcement and what the new theories mean for 2023 and beyond will also be covered.
