

# Energy Attorney Kevin Ewing Shares an Insider's View of Offshore Wind Projects

Media Mentions

January 19, 2022 | *Uptime Wind Podcast* | 1 minute read | Washington, DC

---

Bracewell's **Kevin Ewing** recently joined "The Uptime Wind Energy Podcast" to talk about how the US is making a huge push into offshore wind.

Ewing discusses how these projects go from conception to construction to production, covering the legal and regulatory challenges, offshore lease auction process, litigation, environmental studies, public commentary and much more.
