

FIA Forum: Commodities 2023

Event

August 24, 2023 | 1 minute read

Partner Michael Brooks will present at the FIA Forum: Commodities in Houston on September 13-14, 2023. The panel will discuss “What’s New at FERC?” and review key FERC enforcement cases, regulations and policy initiatives and their real-world impacts on traders and firms in gas and power markets. Michael will speak on September 14 at 10:05 -11:05 am CT.
