

Here's How EPA's Climate Rules Will Change Under Trump

Media Mentions

November 11, 2024 | [E&E News](#) | 1 minute read | Washington, DC

Bracewell's **Jeff Holmstead** discussed with *E&E News* what changes may be in store for [EPA climate regulation](#) in light of President-elect Donald Trump's victory.

"I think the power plant rule is pretty easy for them to revoke," said Holmstead. "There's really no one in industry who supports that rule. People just think that EPA was entirely unrealistic."
