

# Inside Trump's Renewed Effort to Undo a Major Climate Rule

Media Mentions

January 28, 2025 | *The New York Times* | 1 minute read | Washington, DC

---

President Donald Trump opened a 30-day window for the Environmental Protection Agency and other agency leaders to make recommendations on the “legality and continued applicability” of the endangerment finding, a rule which requires EPA to regulate greenhouse gases because they endanger human life.

Bracewell's **Jeff Holmstead** told *The New York Times* that energy clients “want sensible regulatory reforms.”
