

Maisano Moderated a Panel on Ukraine's Impact on US LNG and RNG Market

Event

May 20, 2022 | 1 minute read

Senior Principal Frank Maisano led a panel on “Ukraine’s Impact on LNG and the US RNG Market” at the BIOGAS AMERICAS 2022 Program in Las Vegas. BIOGAS AMERICAS is the biggest gathering of the US biogas industry this year and the annual conference of the American Biogas Council. Whether you are a project developer, equipment supplier, service provider, operator, investor, utility, policy-maker, or anyone whose success depends on the growth and profitability of biogas as a resource, there is no better way to build your business and stay informed of the latest developments in the industry.
