

McGinley to Moderate at the 11th Annual Private Equity New York Forum

Event

April 26, 2023 | 1 minute read | New York

On May 16 at 2 pm EST, Elizabeth L. McGinley will moderate a panel on “Investing in US Private Equity – Energy Sector Focus.” The panel of experts will discuss the most promising and challenging outlooks on energy investing and will navigate how the energy efficiency sector saw private equity and venture capital deals nearly double from 2021 to 2022. The panel will also answer questions such as does 2023 promise continued growth, and as climate circum-stances and international affairs disrupt traditional oil and gas markets, which alternatives present the best path forward?
