

Rodriguez Marin to Talk at Bonds & Loans Conference

Event

March 16, 2022 | 1 minute read

Fernando Rodriguez Marin moderated the “Leveraging ESG and Sustainability Linked Products to Diversify and Lower the Cost of Funding” session during the Bonds & Loans Andes 2022 – Virtual Conference on April 5, 2022. What impact, if any, will ESG considerations have on ratings? How are rating agencies using ESG scores to determine ratings?

- Discover how to monitor and set future parameters to ensure proceeds are being used
- appropriately
- To what extent are borrowers paying a premium to access green investors? How do you align
- the interests of stakeholders?
- What more can be done to widen the adoption of sustainability products?
- How are sovereigns evaluating sustainability-linked bonds?
