**Wilson Jones**, chair of Bracewell's healthcare regulatory and litigation practice, spoke with *Reuters* about the move of a seven-lawyer healthcare group to Bracewell following Thompson & Knight's merger with Holland & Knight.

"We were just so blown away by the enthusiasm [Bracewell] showed for us and our healthcare group," said Jones. "They have a great vision for healthcare. They want to prioritize the practice. The enthusiasm that **Greg Bopp** showed for us bled down through the ranks, in my opinion."
