

United Kingdom: Renewable Energy Laws and Regulations 2021

Media Mentions

September 23, 2020 | *International Comparative Legal Guide* | 1 minute read | London

Bracewell's **Oliver Irwin**, **Kirsty Delaney**, **Nicholas Neuberger** and **Robert Meade** co-authored the chapter "United Kingdom: Renewable Energy Laws and Regulations 2021" in the first edition of *International Comparative Legal Guide – Renewable Energy 2021*.

ICLG – Renewable Energy covers common issues in renewable energy laws and regulations, including an overview of the renewable energy sector, the renewable energy market, sale of renewable energy and financial incentives, consents and permits and storage – in 16 jurisdictions.
