

What to Expect From Trump's Day 1 Orders on Climate and Energy

Media Mentions

January 17, 2025 | *E&E News* | 1 minute read | Washington, DC

Bracewell senior principal **Frank Maisano** explained to *E&E News* that the day-one executive orders Donald Trump begins to roll out next week will be largely “symbolic” and merely a first step in his energy agenda.

“All of these environmental and energy executive orders are going to be symbolic in nature or agenda setting,” Maisano said. “The details, the specifics, the process, will all have to be undertaken to implement.”
