

What's Happened With the IRA, and Look Forward to 2025

Event

November 11, 2024 | 1 minute read

Timothy J. Urban will speak at the 2024 AFCC Global Biobased Economy Conference and Exhibition. Timothy will present on "What's Happened With the IRA, and Look Forward to 2025." The conference will focus on promoting Industrial Biotechnology through this multi-day event and exhibition. Experts and thought leaders on this panel, covering areas from agricultural feedstocks to tax incentives, will engage in a public policy overview, provide a summary of the deliverables promised in the Inflation Reduction Act of 2022, and examine what happened, the underlying reasons, and future expectations. Strategic insights will be shared regarding the progress made, how to salvage missed opportunities, and building on past and potential future successes.
