Lisa Crain is a paralegal in the firm's business and regulatory section and supports the energy, finance, public finance and real estate practice groups. Her work focuses on transactions involving bonds, public securities, and similar obligations issued by cities, counties, school districts, hospital districts, institutions of higher education and certain nonprofit corporations created to act on behalf of political subdivisions, loans, commodities, structured financial products and other financial instruments.

Lisa also assists with lien and litigation searches, preparation and filing of UCC financing statements, recording of documents in real property records, merger and acquisition transactions, entity formation and general corporate support.
