HOUSTON

+1.713.221.1112

Jared Berg works with public and private companies, including private investors, in mergers, acquisitions and general corporate matters. He advises businesses in any stage of development, including formation and reorganization of corporate structures and governance, initial and follow-on equity investments, growth-oriented mergers and acquisitions, joint ventures and other business partnerships, as well as ultimate dispositions of the enterprise.

Additionally, Jared works at the forefront of the energy transition with oil and gas companies, developers of renewable energy generation and RNG processing facilities, cryptocurrency miners and other interested parties on novel and complex commercial transactions, project development and other arrangements designed to achieve his clients' ESG and business goals. He also has experience working with upstream and midstream oil and gas companies on acquisitions and divestitures of pipeline assets, oil and gas interests, and water transport, disposal, recycling and treatment facilities.

---

## Experience

### PROPWR

- long-term commitment to provide 80 MW of behind-the-meter power generation capacity servicing a microgrid installation in the Permian Basin

### Cactus, Inc.

- acquisition of Baker Hughes' Surface Pressure Control Business through a joint venture initially valued at \$530 million, gaining majority ownership and operational control

# BRACEWELL

- approximately \$620 million acquisition of FlexSteel Technologies Holdings, Inc. and certain of its affiliates

## **Kinder Morgan, Inc.**

- \$640 million acquisition of a gas gathering and processing system in the Williston Basin from Outrigger Energy II LLC
- acquisition of landfill assets from MAS CanAm, LLC, consisting of a renewable natural gas facility in Arlington, Texas and medium Btu facilities in Shreveport, Louisiana and Victoria, Texas for consideration of \$355 million

## **Enbridge, Inc.**

- investment as a 45 percent equity partner in OnStream CO<sub>2</sub>, LLC, a joint venture with Carbonvert, LLC and Castex Carbon Solutions, LLC that is developing CO<sub>2</sub> capture, transportation and sequestration projects, in which Enbridge will act as OnStream's preferred CO<sub>2</sub> transportation provider

## **Navigator CO<sub>2</sub> Ventures LLC**

- negotiation of commercial agreements and regulatory advice regarding the planned development of an industrial scale carbon capture, sequestration and pipeline system

## **Sable Offshore Corp.**

- purchase from Exxon Mobil Corporation of the Santa Ynez field in Federal waters offshore California and associated onshore processing and pipeline assets, including pipeline assets acquired by Exxon Mobil from Plains Pipeline L.P. and the proposed merger with Flame Acquisition Corp., a special purpose acquisition entity

## **Pioneer Natural Resources**

- development of a 140 MW wind generation facility on surface acreage owned by Pioneer that will provide renewable power to the Texas electric grid and Pioneer's Permian Basin operations
- sale of approximately 20,000 net acres in western Glasscock County to Laredo Petroleum, Inc. for a combination of cash and LPI common stock
- DrillCo transaction with a private investor providing for drilling opportunities on acreage owned by Pioneer in South Texas
- divestiture of its pressure pumping assets to ProPetro Holding Corp. in exchange for total cash and stock consideration of \$400 million and entry into a 10 year pressure pumping and related services agreement with ProPetro

## **Holly Energy Partners**

- a set of transactions under which HEP and HollyFrontier Corporation (NYSE: HFC) will acquire Sinclair Transportation Company and Sinclair Oil

Corporation, respectively, from The Sinclair Companies for a combined value at announcement of approximately \$2.6 billion

- formation of a 50/50 joint venture, Cushing Connect Pipeline & Terminal LLC, with Plains All American Pipeline, L.P. for the purpose of owning and operating a crude oil terminal in Cushing, Oklahoma and constructing, owning and operating a crude oil pipeline from Cushing, Oklahoma to Tulsa, Oklahoma

## **Cornerstone Building Brands, Inc.**

- acquisition of Prime Window Systems, LLC

## **J&J Worldwide Services**

- sale to Arlington Capital Partners, a DC-based private equity firm

## **Private equity-backed oil and gas company**

- exchange of certain producing and non-producing oil and gas leasehold interests and associated assets, including the negotiation of a construction management and operation agreement for the development of an electric micro grid

## **COG Operating LLC**

- contributions of saltwater disposal wells and large-diameter produced water gathering pipelines in the Delaware Basin to Solaris Water Midstream, LLC in exchange for cash and equity in Solaris Midstream Holdings, LLC

## **Apache Corporation**

- creation of \$3.5 billion midstream company with Kayne Anderson Acquisition Corp., forming the only publicly traded, pure-play Permian Basin midstream company that is a C-corporation
- formation of SCM Alpine, LLC, which will own and operate a greenfield NGL y-grade pipeline, including transportation service agreements, tariffs and related regulatory matters

## **HPS Investment Partners, LLC and Kingfisher Midstream, LLC**

- merger agreement between Kingfisher, Silver Run Acquisition Corporation II and Alta Mesa Holdings, LP to combine and form Alta Mesa Resources, Inc.

## **DCP Midstream Partners, LP**

- 50/50 joint venture between Phillips 66 and Spectra Energy, in a transaction combining all of the assets and debt of Midstream with DCP Midstream Partners, LP. The combination creates the largest gathering and processing master limited partnership in the United States with a pro-forma enterprise value of approximately \$11 billion

## **Pilot Chemical Corp.**

- purchase of ATRP Solutions, Inc., a venture capital-backed specialty polymer technology company, which was in business for ten years after being spun out of Carnegie Mellon University

## **Castleton Commodities International LLC**

- equity investment by Tokyo Gas America Ltd. in a subsidiary of Castleton Commodities International, Castleton Resources LLC, which owns upstream oil and gas assets in East Texas

## **Conflicts Committee of Tallgrass Energy Partners, LP**

- advised the Conflicts Committee of the Board of Directors of the general partner of Tallgrass Energy Partners, LP in its acquisition of an additional 24.99% membership interest in Rockies Express Pipeline LLC from a subsidiary of Tallgrass Development, LP for cash consideration of \$400 million
