

## Intellectual Property Litigation

In a field with rapidly evolving developments, our intellectual property lawyers combine their extensive litigation and technical experience to protect the intellectual property rights and technology interests of our clients at all levels. Our innovative approach and proven track record have earned us a reputation for having the know-how to effectively place our clients in a position to achieve a successful outcome.

Our clients are innovators and among the leading global companies in the computer, software, energy, media, retail, telecommunication and financial service sectors. Recent clients include **Big Fish Games, Kioxia America, Kioxia Corporation, lululemon Athletica, Nordstrom, Toshiba America Business Solutions, Toshiba Tec Corporation** and **Toshiba Corp.**, among others.

Our IP litigation team focuses on the business needs of our clients. We begin each engagement with a strategic analysis and develop a strategy tailored to a company's specific needs, working closely with clients in devising comprehensive plans for every aspect of their IP protection.

Bracewell's lawyers handle intellectual property disputes in courts throughout the United States, including the key intellectual property jurisdictions of Eastern District of Texas, District of Delaware and the Northern and Central Districts of California. We litigate both offensive and defensive patent infringement matters on behalf of clients across a wide range of technologies in federal district courts, as well as before the International Trade Commission (ITC). We have also successfully represented clients before numerous state courts, the Patent Trial and Appeal Board (PTAB) and the Trademark Trial and Appeal Board (TTAB) of the United States Patent and Trademark Office (USPTO), the World Intellectual Property Organization and other international administrative bodies.

Many of our lawyers are registered patent attorneys and possess advanced technical degrees. They combine specialized knowledge with litigation skills
