Election 2014: Impact of a New Congress on Environmental and Energy Policy

November 7, 2014

By: [Scott H. Segal](#)

Energy and environmental concerns were major issues in a number of campaigns leading up to the 2014 midterm elections. In this interview, founding PRG partner Scott Segal discusses how Congress and agencies are expected to deal with a wide range of environmental regulatory issues, including greenhouse gases, carbon rules, oil and gas development, infrastructure permitting, and renewable fuels standards.
