## Recent Developments in Water

February 7, 2017

By: [Sara M. Burgin](#)

Sara Burgin covers a range of water issues, including:

- Nationwide Permits: What you need to know about the nationwide permits reissued by the Army Corps of Engineers
- Water Jurisdiction: What waters will be jurisdictional under the Trump administration
- NPDES Permit Shield: Implications of recent Fourth Circuit Court of Appeals holding in *Ohio Valley Environmental Coalition v. Fola Coal Co.* for the Clean Water Act Section 402(k) permit shield defense against citizen suits
