Highlights from This Year's Texas Environmental Superconference

August 13, 2019

By: [Daniel J. Pope](#)

This month, Associate [Daniel Pope](#) will run through highlights from this year's Texas Environmental Superconference. Topics covered at the Superconference run the gamut of state and federal environmental law issues and are applicable to legal practitioners across the country. This year, we expect to cover:

- Oil & Gas Environmental Issues
- Environmental Aspects of Energy Development
- Texas Legislative Update
- Enforcement and Case Law Updates
- Air Quality & Climate Change
- Emerging CERCLA Issues
- Transactions
