

Clean Energy Transition, Part 3: Offshore Wind in the US With Stephanie McClellan

Podcast | The Lobby Shop

February 05, 2021 | 1 minute read

Welcome to Part 3 of our series within The Lobby Shop: Clean Energy Transition. In this episode, PRG team members [Paul Nathanson](#) and [George Felcyn](#) interview Stephanie McClellan, founder of the Special Initiative on Offshore Wind (SLOW). This conversation breaks down the differences between onshore and offshore wind, how federal and state jurisdictions impact developments offshore and how offshore wind fits into the future of American clean energy production. Learn more about SLOW on their website: <https://sites.udel.edu/ceoe-slow/>.
