

## Environmental Essentials Webinar Series – Citizen Suits

Video

October 13, 2020 | 1 minute read

---

Increasingly, opponents of pipelines and other projects are using environmental citizen suit mechanisms to create obstacles to development. This month, Bracewell's Environmental Essentials webinar will provide a tour through the various citizen suit authorities, identify valuable defenses, especially with respect to injunctive relief authorities that can shut down a project, and offer thoughts on maximizing your preparedness to resist these efforts.
