

Environmental Essentials Webinar Series – Permitting and Environmental Justice: What's Next?

Video

February 14, 2023 | 1 minute read

The EPA continues to advance environmental justice policies, issuing its “Principles for Addressing Environmental Justice in Air Permitting” in December and preparing its much-anticipated guidance on addressing cumulative impacts in permitting expected later this year.

Watch **Steven Cook** and **Whit Swift** as they discuss:

- The EPA’s latest efforts on the environmental justice front
- How those efforts are impacting state permitting authorities
- Potential impacts on permitting strategy for the regulated community
