

Madam Policy Featuring The Honorable Meredith Berger

Podcast | Madam Policy

April 10, 2024 | 1 minute read

Madam Policy welcomes the Honorable Meredith Berger, Assistant Secretary of the Navy for Energy, Installations, and Environment and Chief Sustainability Officer! Secretary Berger joins hosts [Dee Martin](#) and [Carolyn Spector](#) to discuss climate readiness and the importance of women in STEM. Learn more about her “Three C” strategy that focuses on communities, critical infrastructure, and climate. Want to know what the Navy is doing for Earth Day and Energy Installations and Environment Week? Want to hear about ASN Berger’s letter to President H.W. Bush when she was seven? Then tune in!
