

## Making Green While Going Green: Power Plays

Video

September 23, 2021 | 1 minute read

Bracewell Partners **Gordon Stewart**, **Tom Jamieson** and Associate **Michael Recchia** host a Renewable Natural Gas webinar as part of Bracewell's Power Plays series.

Guest speakers are **Lela Jgerenaia** of **Starwood Energy Group** and **David Cox** of the **RNG Coalition**. Lela spearheads Starwood Energy's investments in the growing RNG industry and will discuss the fund's recent investments in the US and Canada spanning a range of feedstock including landfill gas, animal waste and wastewater. David is the co-founder and chief financial officer of the RNG Coalition and will discuss the recent public policy advocacy initiatives it is leading in the US.
