

## The Fed's Take on CBDCs

Podcast | Bracewell Crypto Bits

June 09, 2022 | 1 minute read

---

On May 26, 2022, the House Financial Services Committee held hearings on central bank digital currencies, or CBDCs, featuring testimony from Dr. Lael Brainard, vice chair of the Federal Reserve Board of Governors. Sam Folb, a summer associate at Bracewell, sat through the hearing and discusses some of the key takeaways with Anne Termine on this episode of Bracewell Crypto Bits.
