[The Madam Policy Podcast](#) · [Victoria Espinel: From the White House to Trailblazing the Future of Software](#)

This week, we're joined by Victoria Espinel, President and CEO of BSA, the Software Alliance. Your hosts [Dee Martin](#) and [Caitlin Sickles](#) lead a discussion on Victoria's legacy of advocacy and mentorship, specifically her work at BSA to minimize the risk of bias in AI, the growing role of software and broadband access in all areas of life and how the pandemic impacted that role, her involvement with Girls Who Code and their valuable work, and much more.
